NOTICE FOR FORMATION OF PHARMACOVIGILANCE COMMITTEE

The Pharmacovigilance committee has been constituted for:

Shri Shankar Acharya Institute of Medical Sciences. BHILAI, CHAATTISGHAD

As per MCI guidelines.

Objective – The Pharmacovigilance committee is to scan various prescriptions served by the Hospital from various sections and to assess that rationality of various drugs prescribed. In different instance medicines are prescribed in excess & not relevant to treatment of patient. Hardly any drugs are prescribed in generic name and mostly combination drugs are prescribed in under proprietor / trade name.

The abuse of antibiotic and steroid are noted & prescribed at random to show magic cure.

Such illogical & unethical practices are mushrooming at different corner of our society.

Adverse drug reaction, indications & contraindication of drugs under altered physiological states including pregnancy must be account for.

Drug Delivery system / Monitoring of drug action also constitute a major task of Pharmacovigilance committee.

The committee is constituted to work to work at multi dimensional plane to safeguard the interest of patient.

Members of Pharmaco vigilance Committee are –

1. Medical Superintendent – Dr. A.K. Deshpande
2. HOD of Pharmacology – Dr. A.K. Jha
3. HOD of the Medicine – Dr. Raghwendra Rai
