Message

It gives me immense pleasure to invite you all for a state level conference on "Labour ward management and obstetric drills" organized by Dept. of Obstetrics & Gynecology, SSIMS, Bhilai on 6th- 7thFeb. 2021, Saturday & Sunday

Maternal Mortality in India is directly caused by - Haemorrhage, Sepsis, Unsafe Abortion, Eclampsia & Obstructed labour contributing to two thirds of maternal deaths. These are largely preventable by good antenatal & intrapartum care.

Department of Obgyn, SSIMS, Bhilai being a tertiary referral centre is well equipped with state of art labour ward, Obstetric OT, Obstetric HDU, NICU, Blood Bank & round the clock availability of well-trained consultant obstetricians in labour ward.

My endeavour has always been to keep the team constantly updated with recent advances & exchange of knowledge.

Kindly attend the CME & Share your knowledge.

Prof. Dr. Rekha Ratnani
Organizing Secretary
